## Friday Flyer

Friday 29th September 2023

Dear Parents / Carers,

### Curriculum Hooks

Mrs Dickinson was contacted by the UK Space Agency with a challenge for the children in **Year 5**: could they build a prototype Mars Rover using a design brief that could be turned into the next explorer craft? Year 5 were definitely up for the challenge and, after learning all about the planets and various missions to the moon and Mars, started to develop their designs in readiness for building their very own working models!

In **Reception**, Mrs Pancott showed the children a box. She explained that something very special was inside. They each took turns to look into the box to see 'something special'. The something special was the children's own reflection in the mirror. We all know that we are special.

Father Ralph was invited into **Y3** to discuss creation and the importance of the natural world, as they are learning about National Parks in their enquiry project. He also asked them to think about our big question: Whose responsibility is it to look after our National Parks? He shared with the children the message from the Pope, who asked us in Laudato Si to take care of our world.

Father asked us to create something related to the natural world to display in the Church. He also asked the children to share their work with the Church regarding National Parks.

**Y2** found a treasure chest full of clues about what their enquiry project would be about. There were pictures, a Spanish flag, jewellery, maps and a boat. They had to investigate to see where they had come from and why they were here. They had some brilliant ideas about who Sir Francis Drake might be and came up with some questions to research the answer to.

## **Attendance**

You will have all received a Local Authority (LA) letter from us in the post this week. This is a universal letter sent out to everyone regardless of your child's attendance record. The reason it is sent out by post is on request of the LA. They have reports from Torbay parents that they were unaware that children cannot be taken out of school to go on holiday and that fines will be issued if they choose to ignore the rules set by the government. The letter is to ensure that all parents are informed. As an added layer, an electronic copy will be attached with this week's flyer.

With regards to term time holidays, there is a myth that they are granted at a headteacher's discretion. Whereas I can authorise absences when unavoidable, I am held to account by the Trust and Ofsted for our attendance figures. We finished last year below the national average but appeased Ofsted in May due to the forensic evidence held by myself and Matt Jackson (Attendance Officer).

In addition to the above, we have introduced some tweaks to our internal systems this week for ensuring that the reply slips get home to you. The absence request form comes into the office and is viewed by Matt Jackson on Monday mornings. Even if you hand the form in on a Tuesday, it won't be processed until the following week as this is his working day. The requests are then authorised/unauthorised by me at our weekly attendance meeting. The forms are returned to Mrs Garside who returns the slips via the child. As it seems slips have sometimes gone missing in transit, Mrs Garside will now contact parents via text message, to inform them that their slip is ready for collection. On collection the form will be signed for by the parent and filed.

Please do not take it personally when your term time holidays are unauthorised. We totally understand that cost is normally the deciding factor as can parental holiday restrictions from work but term time holidays cannot be authorised. We appreciate you being honest and completing the form as we then have a record of where the children are when absent and you will not be telephoned. We have had multiple cases of parents pretending their children have been poorly but I ask that you consider this decision carefully as the children do not like being put in that position and can be quite upset on return to school. Please be

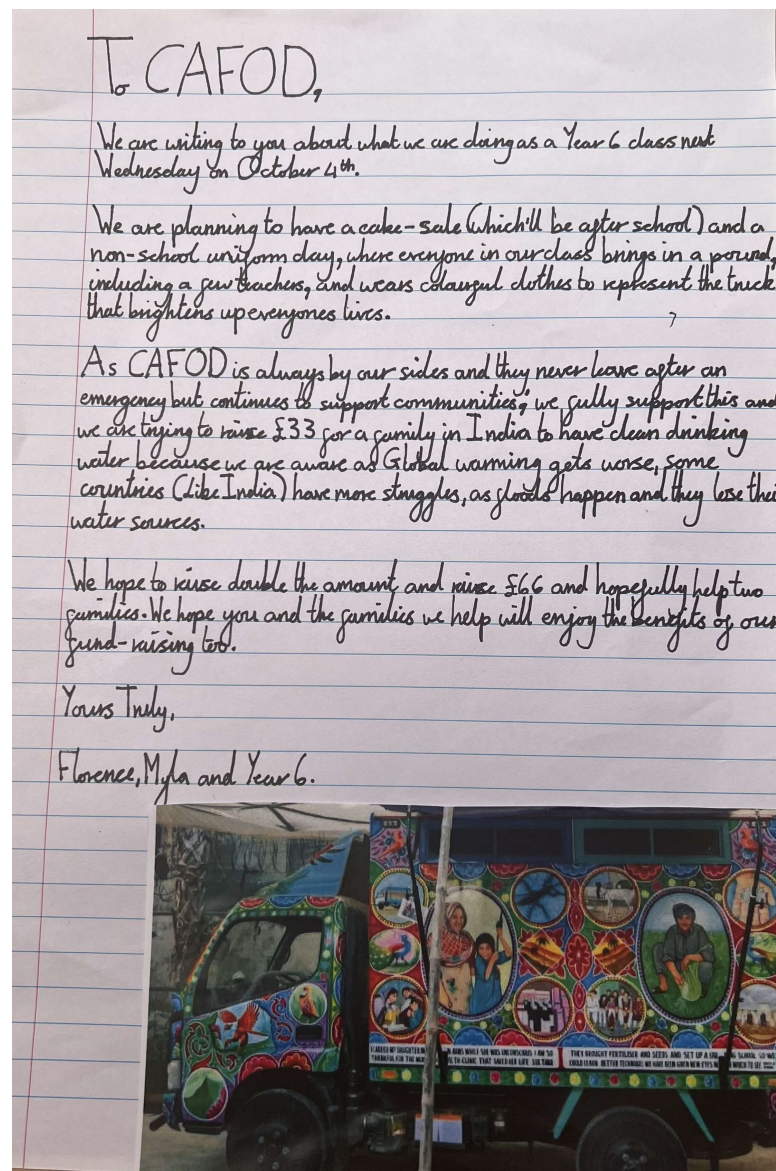

reassured that we would never interrogate a child but more often than not they just can't wait to tell someone.

## Times Tables Rockstars / Numbots

We're back online after a little blip last week. We pay for subscriptions for both sites, TTRS and Numbots for the younger children. Please utilise them at home and encourage your children to access the games. The children love this interactive learning through online play. Any questions regarding difficulties with access, please contact your child's teacher. Details were on the class curriculum newsletters sent out earlier in the term.

## CAFOD

Year 6 are raising money for CAFOD and have sent the letter below detailing how they will be doing this.

## Staffing Vacancies

We have extended the closing date for the two teaching assistant vacancies. One full time (27.5 hrs) working in KS1 in the first instance and one part time (18.75 hrs) every morning 8:45-12:30 in KS2. For details, click below. These are both fixed term appointments until August 2024 in the first instance.

# Copy of Torbay Council's Warning Letter

## **TORBAY COUNCIL**

Attendance Improvement Service  
2<sup>nd</sup> Floor Electric House  
C/o Town Hall, Torquay, TQ1 3DR  
Email: [attendance@torbay.gov.uk](mailto:attendance@torbay.gov.uk)

Dear Parents and Carers

Date: 11 September 2023

Each year the Local Authority is expected to communicate with all parents of children attending a school in Torbay, to remind you of Torbay Council's policy in relation to school attendance. **This letter is NOT a concern about YOUR child's attendance.** We are encouraged to send it, so all parents and carers understand the framework. **This letter is sent out by your child's school on our behalf.** If your child's school have concern about your child's attendance, they will contact you directly.

Over the last year, the majority of families have ensured that their child attended school regularly and enjoyed the benefits of being on roll at one of Torbay's schools. If your child has no unauthorised absences, I would like to thank you for your continuing commitment to your child's education. However, we all need to continue to work together to make sure that all children attend school as much as possible so that any gaps in their learning can be quickly and efficiently filled. I would urge you to communicate with your child's school should there be any problems with your child's attendance. As soon as a problem with your child's attendance is identified, the sooner the parents and schools can work together to overcome the barriers for your child.

Parents/carers have a legal duty to ensure their child who is of compulsory school age receives an efficient, full-time education. Therefore, if your child has no unauthorised absences and their attendance is at 96% or above, you are giving your child the best chance to achieve their potential. If parents/carers fail to ensure their child's regular and punctual attendance at school, they are committing an offence, unless the absence has been authorised by the school.

We acknowledge that some absence, e.g., illness, is unavoidable. However, any requests for avoidable absences from school (including holidays) can only be agreed by the school in advance, so it is therefore essential that you apply to the school in writing as far in advance of the absence as is reasonably possible using a form supplied by the school. Please be aware that a school can only grant leave in exceptional circumstances. The Department for Education guidance states that "leave is unlikely to be granted for the purposes of a family holiday as a norm."

In situations where a child accumulates 10 or more sessions of unauthorised absences (one school day is made up of two sessions) within any six-month period, parents/carers will make themselves liable to receiving a Penalty Notice per parent/carer, per child. If a Penalty Notice is issued it carries a penalty of £60 if paid in full within 21 days or £120 if paid in full after this time but within 28 days. Part or late payments cannot be accepted and there is no legal right to appeal the Penalty Notice once it has been issued. If a Penalty Notice goes unpaid, this is likely to result in Court proceedings being instigated for an offence of failing to ensure regular school attendance contrary to section 444 Education Act 1996. Upon conviction of such an offence the maximum fine of £2500, or a maximum 3 months imprisonment, can be imposed.

**Please note:** only one Penalty Notice will be issued in any two-year period. This means that if a Penalty Notice is paid, and the child accumulates a further 10 sessions of unauthorised absence within the following two years, this will result in the parent/carer receiving a summons to Court for an offence contrary to s444 Education Act.

If you are considering taking your child out of school, you are reminded to read both your child's School Attendance Policy (normally on the school website) regarding avoidable absence in term time and the Local Authority's Penalty Notice Code of Conduct which can be accessed at: [www.torbay.gov.uk/attendance](http://www.torbay.gov.uk/attendance).

Yours sincerely,

On Behalf of the Attendance Improvement Service

Dear Parent/Guardian

**Your child's annual nasal flu vaccination is now due**

The School-Age Immunisation Service is delivering the flu immunisation programme in Cornwall's and Devon's schools on behalf of NHS England & Improvement. Flu can be a very unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

In 2023/24 all children in Primary Schools from **Reception to year 6 (inclusive)** will be offered the vaccine. The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please enter [www.nhs.uk/child-flu](http://www.nhs.uk/child-flu) to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate. The patient information leaflet is also in the attached link: [FLUENZ Tetra, INN-influenza vaccine \(live attenuated, nasal\) \(medicines.org.uk\)](#).

We are due to visit your child's school on **5<sup>th</sup> October 2023**. In order to access the online consent form, please enter or click on the following link <https://www.kernowimmunisations.co.uk/Forms/Flu> **PLEASE ENSURE YOU ENTER THE FULL UNIQUE SCHOOL REFERENCE CODE. The code for your child's school is: DV140749**

Please submit your consent form by **midday 3<sup>rd</sup> October 2023** to ensure your child receives their vaccination. If you experience any problems accessing the form please **telephone 01872 221105 for Cornwall schools and 01392 342678 for Devon schools** and the team will be happy to help. Please note that as in previous years **you must opt into** the programme. If a consent form is not submitted your child will not be vaccinated.

**If your child becomes wheezy or has their asthma medication increased after you submit this form, please contact us on the numbers above.**

If you decide you do not want to vaccinate your child against flu, it would help us if you still complete and submit the consent form giving the reason. This will help us to plan and develop the service. Please tell us if you need this information in a different format.

Yours faithfully
